

# CAN YOU SPELL “MISSIONARY”?

It's a big word! You might just be learning to spell “cat” or “dog” or maybe even “house.” Inside of the word missionary is the word mission. Missionaries are people with missions. Somebody with a mission has something important to do. A missionary's important mission is to tell people about Jesus. Some people go to work to fix computers. Some people try to sell phones for their job. Some people cook at restaurants. Missionaries tell people about Jesus.

Sometimes missionaries go into the streets to talk to people about Jesus. Sometimes they start churches so people in the villages and cities can hear about Jesus. And sometimes missionaries bring medicine to very sick boys and girls so they can get better and hear about Jesus.

Look at this picture of the world. Did you know that there are people all over the world who are missionaries? Many missionaries move to far away places to tell people about Jesus. They may even have to learn a new language to speak to the people. Other missionaries stay close to home. Many people work in different jobs where they tell the people they work with about Jesus.

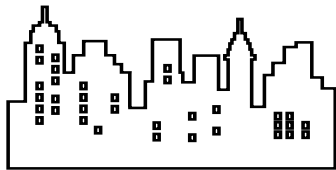

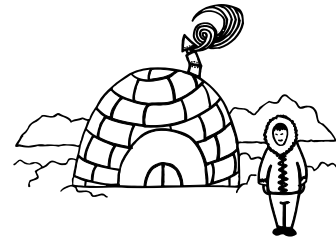

# IF YOU WERE A MISSIONARY, *where would you want to go?*

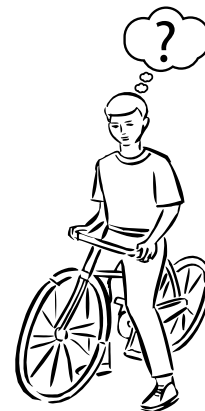

It's OK if you don't want to be a missionary. Other jobs are just as important, and God wants His children to tell people about Jesus no matter where they are or what work they do! Color the picture next to the one that best shows what you want to do.

I would want to move to a place where the people don't have the Bible and help them be able to have it.

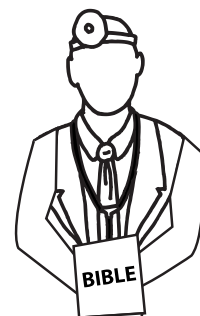

I would want to move to the big city near my town and help people who have had hard lives know that Jesus loves them.

I want to be something else when I grow up. What do you want to be? \_\_\_\_\_

I would want to help other boys and girls have an Awana® club so they could learn about Jesus. I would want to go where there is no Awana and help churches start one.

I would want to help sick people get better so they can learn about Jesus.

## Did you know that the world has over **SIX AND A HALF BILLION** people living on it?!

That's a six with nine zeros after it! Most of those people don't know Jesus. Some have never even heard of Him! Color this picture and put it somewhere in your room to remind you that there are a lot of people on earth who need to hear about God's love for them. Use this picture to help remind you to pray for them.
